The Work Inspector of Devanhalley Taluq has been looking after the duties of two Taluqs viz Devanhalley & Doddaballapur Taluqs - He does not get any emolument for the work done in the Doddaballapur Taluq - The Amildar inspects both the bag & allowance of the Doddaballapur work which has been lapsing behind.

From what I have been observing during the course my visits tours, I find that the Devanhalley work which has been turning out very good work - I have found him to be both honest & efficient in the discharge of his duties. I think it a great hardship to expect work from this poor official, of two Taluqs without adequate remuneration.
